

CUSTOM ALUMINUM FRAMING FROM **TSLOTS**®

Ready to assemble modular framing for
permanent and temporary building solutions

From design to finish, TSlots allows for **flexible innovation.**

Extruded by **Bonnell Aluminum™**, TSlots allow you to rapidly design and erect simple to complex projects such as industrial guarding, clean rooms, or even a DIY work bench for your garage at home. TSlots allow you to find that perfect, easy to assemble solution! Complete with a variety of fasteners and hardware, designing an application that fits your needs just became that much easier.

**NEW TO
TSLOTS?**

SEASONED TSLOTS USER?

Challenge our design team to **meet the custom needs of your growing business.**

As the only vertically integrated US manufacturer of TSlots, our team can extrude the shapes you require for your projects. We know TSlots, and we can help with the products you need regardless of where you start your design. **Send us your ideas on paper, or in a CAD file, and we'll bring your design to life!**

A SOLUTION FOR EVERY
NEED, INCLUDING:

- Workstations
- Robotics
- Lean/Safety Enclosures
- Machine Guarding
- Conveyor Systems
- Material Handling
- Inventory
- Workstations
- Displays
- Clean Rooms
- Office Furniture
- DIY Projects

THE TSLOTS DIFFERENCE

We offer the **variety** and **compatibility** that you need for completing most any project where speed and strength are a requirement.

Our products come in fractional, metric and even Bosch compatible profiles making it easy to build or add to existing projects. And, with a complete line of brackets, gussets, & plates as well as fasteners and hardware, we are a one-stop shop for all your build needs.

CUSTOM COLORS AVAILABLE

With **similar strength properties to steel at a lighter weight and lower cost**, TSLOTS is relied on to solve problems for a variety of industries.

CUSTOM SOLUTIONS

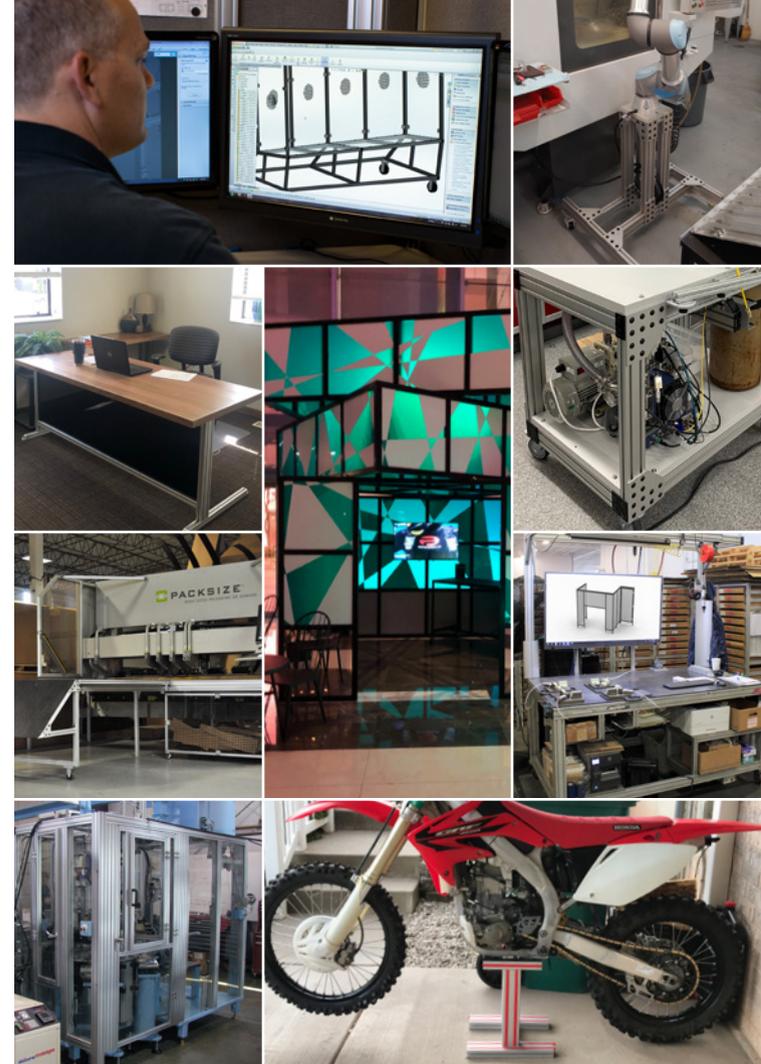

Customization goes beyond the product when you do business with TSLOTS.

OUR VALUE-ADD SERVICES INCLUDE:

- Custom packaging
- Machining
- Labeling
- Full and/or sub assembly
- Panel fabrication
- Custom finishing

WE ALSO OFFER:

- Product compatibility
- Stocking programs
- Competitive lead times
- Easy conversion
- Full line of accessories

WHAT OTHERS SAY ABOUT TSLOTS

—

We have been able to grow our business due to the TSLOTS product and sales team. There have been some very challenging times in the last 18 months, but together, we have been able to meet/exceed our customers' expectations and grow our businesses. The inside and outside sales teams truly have a commitment to our needs and the needs of our customer, and we are proud to be their distributor. We look forward to a long a prosperous future—together.

- Marc Struthers, AAP

—

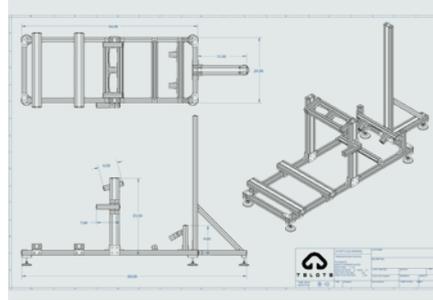

Our partnership with TSLOTS began over 20 years ago and has been growing stronger every year. Through market ups and downs, TSLOTS has been a steady and reliable supplier. We always know we can count on TSLOTS to help us help our customers grow and move forward. We have never been disappointed in either the quality of their product or consistency in quick, accurate service.

- Fred Mileham, *AluFab Inc.*

THREE SIMPLE STEPS

1 DREAM IT
Sketch your idea with
dimensions on paper or CAD

2 DESIGN IT
Send us your design and we
will quote your project

3 BUILD IT
We can send your kit to you or
assemble and ship to you

Plus, we offer **design assistance** with years of experience in bringing projects to life.

OUR PARTNERS MAKE US STRONGER

TSLOTS by Bonnell Aluminum is the only extrusion manufacturer that sells directly into the market through distribution. Our nationwide chain of suppliers can provide you with extrusions and components, and can assist you further with automation solution ideas. Our manufacturing facilities located in Clearfield UT, and Niles MI, allow us to be closer to our customers. With over 100 inventoried extrusion profiles, we've cut down on shipping costs, while reducing lead times, in order to keep our distributors well stocked.
